EASTER JAM: RECONNECT STREAMING LICENSE

We are so excited to partner with you in reaching kids and families online this Easter.

From the time of license purchase you have the following provisions for your Easter Jam: Reconnect event. This license does not cover other broadcast companies, children's apps and programming, TV distribution, or similar.

With the Easter Jam Streaming License, you'll be able to legally stream content from the Easter Jam: Reconnect Free Event and —if purchased—content from the Easter Jam: Reconnect Media Package if the following criteria is met:

- **Your Easter Jam: Reconnect event must be for streaming only. No downloads allowed.**
- **Streaming/sharing of your Easter Jam: Reconnect event must be from a church-branded platform (or platforms) only.**
- **Use of song audio and/or video from Easter Jam: Reconnect Media Package is for your Easter Jam event only.** You do not have permission to upload standalone song audio and/or song video from the Easter Jam: Reconnect Media Package.

SOCIAL MEDIA URLS:

As an added benefit of this license, we will designate the URLs you submit for your church-branded platform(s) on an approved passlist. This will allow permission for your platform(s) to stream our content should you experience any flagging issues from Facebook, YouTube, etc.

You can submit your URL's by clicking on the button labeled "SUBMIT URLS HERE" which is found in the email you received that contains your Easter Jam Streaming License.

TERMINATION:

If you do not abide by the above permissions then we have permission to terminate your license and potentially blacklist your social media channels if the behavior merits it. We have created this license as a solution and have done so at the very lowest cost we could.

Terms and conditions are subject to change.
